Dear HFCC/ASBU Members:

The Steering Board of the HFCC/ASBU in cooperation with Thomson Broadcast & Multimedia AG and the National Association of Shortwave Broadcasters (NASB) have the pleasure of inviting you to the B10 Season Coordinating Conference to be held in Switzerland between 2 and 6 August, 2010.

The Conference will be held at the Moevenpick Zurich-Regensdorf Hotel in the Zurich suburb of Regensdorf. Delegates are requested to arrange their accommodation using the registration and hotel booking form, which can be found on the HFCC web page for the B10 Conference.

All delegates are strongly urged to send their registration forms to the NASB Secretariat office as soon as possible – and by 2 June at the very latest. Those who will need visas to enter Switzerland are also urged to contact their nearest Swiss embassy or consulate as soon as possible in order to obtain the necessary visa.

The HFCC/ASBU Conference registration fee is 75 euros per delegate, or the equivalent in US dollars or Swiss francs. This fee will be collected by the Conference Secretariat on Sunday, 1 August and on Monday morning, 2 August. Payment should be made in cash. Please note that there is also a hotel conference fee of CHF 98 per person per night for the nights of 1-5 August, which is payable directly to the hotel along with the room rate upon arrival. A credit card is needed to guarantee your hotel room reservation.

During the Conference week, Thomson Broadcast & Multimedia AG will invite all delegates for a tour of its factory in Turgi, Switzerland.

We look forward to your participation in the B10 HFCC/ASBU Coordination Conference.
